

The American Neuromuscular Foundation is thankful for every donation and hopes to see this list continue to grow each year, inspiring others to join the effort to cure NM disease. These individuals' donations are not only extremely generous, but also supporting researchers in their fight to find a cure for NM diseases and ultimately improve patient care. The ANF is a 501(c)(3) nonprofit corporation, and donations are tax-deductible to the extent allowed by law.

*(Contributions listed were received between August 15, 2021 and July 15, 2022)*

**Platinum Plus Gift (\$10,000+)**

Celia Cizes

*In memory of Elinor Sanft*

**Platinum Gift (\$2,500-\$9,999)**

Holli Horak, MD

Perry Richardson, MD
